Signed: _____ Date: ___/___/___

Work may be done at the outdoor range where a chart is available to record your work time. Your personal signature will be proof of your work accomplished. The field captain will keep these records.

Work may also be done in different ways throughout the year in the club publicity, keeping records, score keeping, securing awards, and public relations.

Some items that always have to be done are: target making, grass cutting, litter cleanup, painting, sign making, helping at registration stand during shoots, construction projects, being a club officer, or ask the field captain what you can do.

Each member may take a guest to the outdoor range on a one-time basis to introduce them to our club. Each member will receive the combination to the range gate lock each year. (Gate to be locked by last one out of range.)
